# YEAR . . .

# 1962

Nineteen sixty-two was a wonderful year. It was a year of exciting ball games that thrilled enthusiastic fans. It was a year filled with fun and excitement. Many new acquaintances were made which will last a life-time. The halls rang with swelling laughter and exuberant chatter.

There were many new and different additions to our school life. Our very first homecoming was this year. New activities were included in the extra-curricular program, and new subjects were added to the curriculums.

This year was our second in the new school building. The students felt much more at ease now that the initial year was in the past.

Now, let us take a look at the events of this year which made it that wonderful year.

# FIRST HOMECOMING WELCOMES

Queen Valda Pudis and her escort Stan Weller.

The first Homecoming of Manchester High School turned out to be a tremendous success. This event, which was planned and sponsored by the Student Council, commenced on Friday evening, September 29, with a festive parade. It was led by the band and Squiretts and contained various "club" and "club" floats which competed for prizes.

The Homecoming Queen was crowned at the Manchester-Whites football game. After the game a dance was held in honor of the Queen and her court.

Saturday evening an Alumni Banquet was held at Manchester High. This climaxed the eventful week-end.

# WONDERFUL FOR FACULTY

# AND ADMINISTRATION

The faculty and administration are the guiding light of our school. When students need a helping hand, they are right there to help them. Teachers spend many long hours in the service of their school. Without them we would be like a ship without a sail.
